RESTAURANTS & BARS

• Urbane—serving Northwest cuisine in a relaxed neighborhood-style setting, and operating on one simple premise: “Good food depends on good ingredients.” There are farmers across Washington and the Pacific Northwest who are dedicated to sustainable growing techniques, and to bringing the best possible products to market. The hotel's executive chef uses these fresh, regional goods when they are at their very

peak in quality. Local suppliers include suppliers from Pike Place Market and Pioneer Square. Menus will be changed often to reflect the seasonality of these key ingredients, including species of fish and shellfish native to the Pacific Northwest. Preparations are traditional and simple, allowing ingredients to complement each other without compromising taste

- Urbane Coffee and Wine Bar provides a relaxed, comfortable setting for enjoying lighter fare, an inspired selection of regional wines and specialty coffee drinks, and lively conversation with friends and business associates

CONFERENCES & BANQUETS

- For state-of-the-art social and business functions, the hotel provides a total of 11,000 square feet of meeting accommodations
